CHILDRENS HOLIDAY CLASSES

Children 8 -12 years: please enquire
Young adults 12 to 15

All club members have the use of the club facilities on Club Day (when the club is not in use for an organized event) for a fee of \$2 per day.

Class members need a few simple tools to assist with class work. The tutor will advise at the first class. Clay may be purchased from the club and kiln firing charges are shared by the class members.

The following topics are covered in the classes:

Hand building

Throwing on the wheel

Decorating

Glazing Techniques

- Course activities and general membership involvement may be enhanced by participation in other club activities, such as evening lectures, working and demonstration schools, club kiln firings and the annual exhibition
- Members are encouraged to attend our monthly meetings with guest speakers and weekend schools, given by guest potters
