

Halswell wood firing date change to Sunday 16 October

Hi potters,

A wood firing date change to pots being delivered to the rooms on Friday 14th October around the back in kiln shed on the tables or Sat 15th at 9am for packing. Firing will be on **Sunday 16** 9am start

The roster is Sunday 9am to 12 12pm to 3pm 3pm to 6 or later

We will require 4/ 5 people on each shift on each firebox taking turns getting wood ready and opening the lid and putting in the wood this can be hot work as it is good to share the load.

Email Shona: [claytech1@gmail](mailto:claytech1@gmail.com) for your rostered time.

This new date will give you all a bit more time to make your work.

Requirements are. pine cones, bring water and your lunch if on lunch duty. Long sleeves and trousers and a band or hat to keep hair in, leather gloves.

You can use your usual glazes inside and a splash outside. It is best not to glaze all the outside as we want the wood and ash to work on the naked areas. You can use glue squeeze on the top part of your pots and sprinkle wood ash over, this will make a sort of decoration add interest to your work.

Google wood fired pots and see what others have done. Cheers Shona
